

STAKEHOLDER CONFERENCE CALL INFORMATION

Beginning February 3, 2006 at 10:00 a.m., and continuing bi-weekly until further notice, the Substance Abuse Services Division will host a conference call for our providers. This call will give us the opportunity to meet with you, without the expense of travel, and provide up-to-date information in regard to our efforts to improve Alabama's substance abuse delivery system.

To participate in each call, please dial 1-888-776-3766. You will be prompted for a meeting room number, which is \*2626217\*. The star key (\*) must be entered before and after entry of the numbers. Please make your call at least five (5) minutes before the start of each meeting.

All meetings will be agenda driven and include ample time for questions and answers. Agendas will be distributed on the Thursday preceding each meeting.
